

TECHNOLOGY SUPPORT TEAM

Benefits of a customized Web site

- Your Web site is a “virtual storefront.” It’s a great intro to your business.
- People today expect businesses to have Web sites. A custom page can help give your company a professional edge.
- It’s a perfect way for customers to learn about your business and get contact information.

Advantages of a professional e-mail account

- Give a professional look and feel to your communications.
- Add instant credibility to all of your customer interactions.
- Separate personal and business e-mail accounts to stay focused.

We make sure CenturyLink Small Business is working hard for you.

From the moment you sign up with us, CenturyLink is at your service. We’ll help you pick the communications solutions that best suit your business goals and your budget. That’s not all—our Technology Support Team will help you with any questions you have about your Internet features and will get you up and running.

Here are some of the things the Technology Support Team can provide you, free of charge:

- Set up Instant Business Broadcast that gets your business found online through top search engines
- Domain Registration
- Setup of two free hosted exchange e-mail boxes on a personalized address (yourname@yourbusiness.com)
- Transfer of current address books, contact lists and calendars
- Set up 2GB free online backup
- Setup for fax to e-mail. Allows 20 complimentary outbound faxes per month.
- Assistance with SiteBuilder templates to create a basic Web site

We’re always here to help our valuable customers. So give us a call today and let us know how we can help.
