Referrals for sales of CenturyLink products for CLEC end-user customers are NOT allowed. If a CLEC's end-user customer asks for information about a CenturyLink product, technicians MUST refer them to the CenturyLink business office by referring the end-user to a public source of information such as a telephone directory, CenturyLink home page, or to directory assistance. Under compliance regulations, employees CANNOT provide the CLEC end-user customers with the CenturyLink business office telephone number. All employees are required to know, understand and adhere to the CLEC end-user rules. See the following for more information: Pages 15-16 in the "Technicians Code Book" (RG 29-0040 Rev 06/2004).
