High-Speed INTERNET THE SPEED YOU NEED. THE RELIABILITY YOU DESERVE.

In business, there's no time for downtime. Whether your business operates locally or across the nation, you need to stay connected. At CenturyLink, we're High-Speed Internet experts - offering a range of solutions from Pure Speedband™ (with speeds up to 60 Mbps) to robust packages that include easy DIY website templates, Microsoft® Exchange email, Web hosting and more.

Business VOICE ALWAYS BE THERE FOR YOUR CUSTOMERS.

Trust your business to the old-fashioned communication provider in the nation. At CenturyLink, we know that a mixed-calls service is a mixed opportunity. So we provide reliable business phone service - everything from a basic business line to Unlimited Nationwide Calling to full business calling packages. Plus, you'll have peace of mind knowing our local support teams are always on call.

OUR BUSINESS PARTNERS ARE YOUR BUSINESS PARTNERS.

The needs of today's small businesses have changed. That's why CenturyLink has teamed up with DIRECTV and Verizon Wireless to help move your business forward.

PARTNERING WITH DIRECTV IS GOOD FOR BUSINESS.

Keep your customers entertained while they shop, wait or work out. It's a great idea.

VERIZON WIRELESS

Keep your team in the loop with Verizon's Share Everything Plan: unlimited text, unlimited data, and wireless data on up to 10 devices. Also, use your smartphone as a mobile hotspot.

Want to know what else our business partners can do? Don't hesitate to contact us.
