

Business VOICE

STAY CONNECTED

Good phone service is good business.

CenturyLink® Business Voice plans deliver the essential tools a small business needs to build and maintain a customer base. You'll get reliability and affordability in a local voice package, as well as your choice of per-minute, flat rate or Unlimited Nationwide Long Distance Calling packages.

Choose from these Business Class calling features:

- **Caller ID** Don't get caught off guard by a caller.
- **Call Forwarding** You're not tied to your desk when calls follow you wherever you go.
- **Call Transfer** The professional way to pass a call on to the right person.
- **Voicemail** Never miss an important call. Share voicemail box with multiple lines.
- **3-Way Calling** Save time and gas by meeting on the phone.
- **Call Waiting** No need to rush through a call because you're expecting another.
- **Call Waiting ID** When the phone's ringing off the hook, you decide which calls take priority.
- **Custom Ringing** Save yourself the expense of additional phone lines.
- **Hunting** An easy way to improve productivity among your staff.
- **Last Call Return** Respond to important callers even when they don't leave a Voicemail.
- **Busy Redial** Let us tell you when a busy phone is available rather than redialing it yourself.

Feature availability varies by customer.
