Put advanced technologies
to work for your growing business.

It's easier than you think
with **Qwest Core Connect.**

When your expanding business is outgrowing its current technology, Qwest® Core Connect® helps you keep the momentum going. You get advanced phone, Internet, e-mail and Web site technologies, as well as a Technology Support Team to help you get your Web site and online services up and running quickly and smoothly.

Core Connect offers everything you need, including the convenience of a single provider. We've created three tiers of technologies that keep pace with your business today and as it continues to grow.

Best of all, choosing the right one for your business is as easy as 1-2-3.

CORE CONNECT I

For companies with a few key employees

Core Connect I includes:

- ✓ Unlimited Nationwide Local and Long Distance phone service
- ✓ Internet connection speeds of up to 7 Mbps, with optional upgrades to 12, 20 and 40 Mbps in select areas
- ✓ Web design templates, up to 10 search-optimized pages, vanity domain name registration and 5GB of Web storage
- ✓ Web mail and Microsoft® Exchange e-mail

Qwest Core Connect I has the phone and Internet services you need to stay on top in today's competitive world. Get everything you need in one simple package, for one easy price.

NOT AVAILABLE IN MT

If you want to save on calling: Get unlimited calling anywhere in the U.S.

If you're tired of waiting for large files to download: Enjoy super-fast Internet that downloads files, even photos and videos, faster than ever. Web pages load faster, too.

If your business could use more of an online presence: Create a professional-looking Web site with easy-to-use templates.

If you'd prefer a more professional e-mail address: Get an e-mail address personalized with your domain.

Make your business easy to find on the Internet with an Instant Business Broadcast free online profile: This profile will ensure that critical information about your business will be available to anyone who searches for it on the Internet.

CORE CONNECT 2

Supports up to 46 employees

Core Connect 2 includes:

- ✓ Save when you call between subscribers on the Qwest IP network at no additional charge
- ✓ Scalability, to let you add bandwidth as your business grows
- ✓ 2 Microsoft® Exchange e-mail addresses and up to 20 outgoing fax over e-mail pages per month
- ✓ Network equipment rental
- ✓ Scalable, starting with 6 lines
- ✓ 100% network availability goal*

Upgrade your existing phone system without having to buy new equipment, and get a dedicated Internet connection for consistent connection speeds.

CORE CONNECT 3

Scalable, to grow with your business

Core Connect 3 includes:

- ✓ Save when you call between subscribers on the Qwest IP network at no additional charge
- ✓ Dedicated Internet connection speeds, with higher bandwidth available
- ✓ Symmetrical upload and download speeds with more consistent data transfer
- ✓ 2 Microsoft Exchange e-mail addresses and up to 20 outgoing fax over e-mail pages per month
- ✓ Network equipment rental, including router, IP PBX platform (Internet-based phone system), advanced features and 5 IP phones
- ✓ Scalability for your growing business

Core Connect 3 is an advanced Internet Phone (IP) system that comes with scalable bandwidth to meet the needs of your growing business.

BENEFITS OF BOTH CORE CONNECT 2 AND 3:

If you'd like to avoid having to buy all new equipment:

Core Connect 2 works with most existing phone systems, while Core Connect 3 includes new equipment.

If you need a faster, more reliable Internet: Maximize efficiency with a system that automatically allocates bandwidth where and when it's needed.

If you'd like to save more on calling: Enjoy unlimited local service using Voice Over Internet Protocol (VoIP), as well as unlimited calling between your business locations on Core Connect and to other Qwest Core Connect 2 and 3 customers.

If your business has multiple locations and you want them to function as one: Put your locations on the same network, so they work together seamlessly and share resources when appropriate. Unlimited calling between locations is also included.

If you want it in writing: With Core Connect 2 and 3, you get a 100% network availability goal.*

Order today or contact Qwest to learn more.

With approved credit. Services and combined billing not available in all areas. Prices exclude taxes, surcharges and other fees. Discounts may apply after first full month of billing. May require equipment purchase or rental at additional charge. **Subject to applicable restrictions, tariffs and service agreements. Contact Qwest for details.**

Availability of Qwest services varies. Please refer to the following for availability details about Qwest iQ Data Bundle, Qwest iQ SIP Trunk IP-PBX, and Managed Applications: <http://qwest.com/legal/docs/availability.pdf>

*Service level agreements are based on cumulative hours.

Qwest® Core Connect® 1: Offer cannot be combined with other promotions or discounts unless otherwise allowed. Requires Qwest local business service; restrictions on number of local and long distance packages/plans per account apply. \$200/\$400/\$600 early termination fees apply with 1/2/3-year agreements, prorated monthly. **Local service**—Feature availability varies by customer. **Long distance service**—Cannot be used with automatic outbound dialing systems or call distribution systems, or for Internet access. Usage may be monitored and customer may be required to show compliance if usage exceeds 3,000 minutes/mo. or non-compliance indicated. **Qwest High-Speed Internet** (includes Web presence and e-mail services)—Connection speeds are based on sync rates. Download speeds will be up to 15% lower due to network requirements and may vary for reasons such as customer location, Web sites accessed, Internet congestion and customer equipment. Requires compatible modem and may require additional equipment purchase or rental. Changing any part of your service can result in an early termination charge if under a fixed-term contract.
