

CENTURYLINK ACTIVATION SUPPORT

We make sure CenturyLink is working hard for you.

From the moment you sign up, CenturyLink is at your service. We'll help you pick the communications solutions that best suit your business goals and your budget. And that's not all – during your complimentary activation appointment we will help you with any questions you have about your Internet features, and will get you up and running.

Here are some of the things the CenturyLink Activation Support can provide you, free of charge:

- Let customers find your business online through submissions to top search engines Google, Yahoo, Bing and Ask. Also get SEO errors and dashboard
- Domain registration
- Setup of two free hosted Microsoft® Exchange email boxes on a personalized address (yourname@yourbusiness.com)
- Transfer current address books, contact lists and calendars
- Set up two licenses, 10 GB each, of online backup. Supports your PC, Laptop or Mobile device
- Set up cloud fax. Allows 20 complimentary outbound/inbound fax pages per month
- An overview of Sitebuilder so you can create and host your website. Service includes 5 GB Web hosting and SiteBuilder tools with robust templates and plug ins

We're always here to help our valuable business customers. Let our Dedicated Business Team know how we can help.

Benefits of a customized website:

- People today expect businesses to have websites. A custom page can help give your company a professional edge.
- It's a perfect way for customers to learn about your business and get contact information.

Advantages of a professional email account:

- Give a professional look and feel to your communications.
- Add instant credibility to all of your customer interactions.
- Separate personal and business email accounts to stay focused.
